

## **Bible Stories for Grown Ups**

The Bible stories we learned as children have powerful and unexpected meaning when we study them as adults. Please join Rabbi Marc Angel for a 4-part series (on Zoom), on Wednesday mornings, February 2, 9, 16 and 23--from 8:45-9:15 a.m. (EST).

1. Adam and Eve: the beginnings of humanity—and a special thanks to Eve
2. Cain and Abel: dealing with unfairness, jealousy, rage
3. Noah: will humanity ever learn?
4. Abraham: the Akedah...a surprising lesson

The Zoom class is offered at no charge by the Institute for Jewish Ideas and Ideals. Please register on this link: <https://www.jewishideas.org/bible-stories-grown-ups>
