Youtube Classes by Rabbis Hayyim and Marc Angel

View PDF

Rabbis Hayyim and Marc Angel recently gave Zoom classes, and each class has been posted on our Institute's website: youtube.com/jewishideasorg Below are brief descriptions of the classes. This enables you to learn from the classes at your own convenience. Enjoy...and Learn!

Israel in the Bible

Rabbi Hayyim Angel

In this series, we get to the heart of the central values in the Torah and the rest of the Bible pertaining to the people of Israel and the Land of Israel. Through the study of key biblical texts and rabbinic interpretations, we build a foundation that informs all later discussions of the religious significance of the Land of Israel for the Jewish people. This series focuses on biblical values, not contemporary politics.

Israel in the Torah
Israel in the Prophets
Israel in the Early Second Temple Period

Literature and Religion

Rabbi Marc D. Angel

This series deals with important literary works with themes that impact on religious ideas and ideals. Each class connects these themes to teachings in Judaism.

1. Ralph Waldo Emerson: Personal Religion

2. Matthew Arnold: Hebraism, Hellenism, Biblical Righteousness
3. Nathaniel Hawthorne: Sin, Guilt, Punishment
4. Miguel de Unamuno: Faith/Doubt/Piety
5. George Eliot: “Daniel Deronda” and the Jewish Question
6. Henrik Ibsen: Ethics and Religion
