Dear Members, Friends, Supporters of the Institute for Jewish Ideas and Ideals:

At a time when Jews are facing so many challenges, it is vital that we strengthen Jewish life to the best of our ability. We need to bolster Jewish knowledge, spirituality, morale. We need to foster an intellectually vibrant, compassionate and inclusive Judaism.

That's what our Institute for Jewish Ideas and Ideals is all about! With your support, we reach many thousands of people worldwide through our website, publications, divrei Torah, articles, YouTube programs, shiurim/classes...and more. We serve as a resource for thousands of people seeking guidance in Jewish thought, halakha, text studies, ethical issues...and more.

YOUR SUPPORT IS VERY MUCH NEEDED AND APPRECIATED.

As we approach year end 2026, we turn to you to enable the Institute to continue--and expand--our work. Your contribution is a reflection of your partnership in the Institute's work.

You may contribute on this link
